

# SIGNUM contract

## WINNING TEAM

*Signum Contract is the result of many years of experience, skills and competencies. Based on prestigious values as passion and devotion, the group is as a true laboratory for architectural works. Its main distinguishing features are an exceptional versatility which enables the group to offer a wide and complete range of services, from projects in individual, public and collective areas to convivial places, guaranteeing high-quality works and efficiency.*

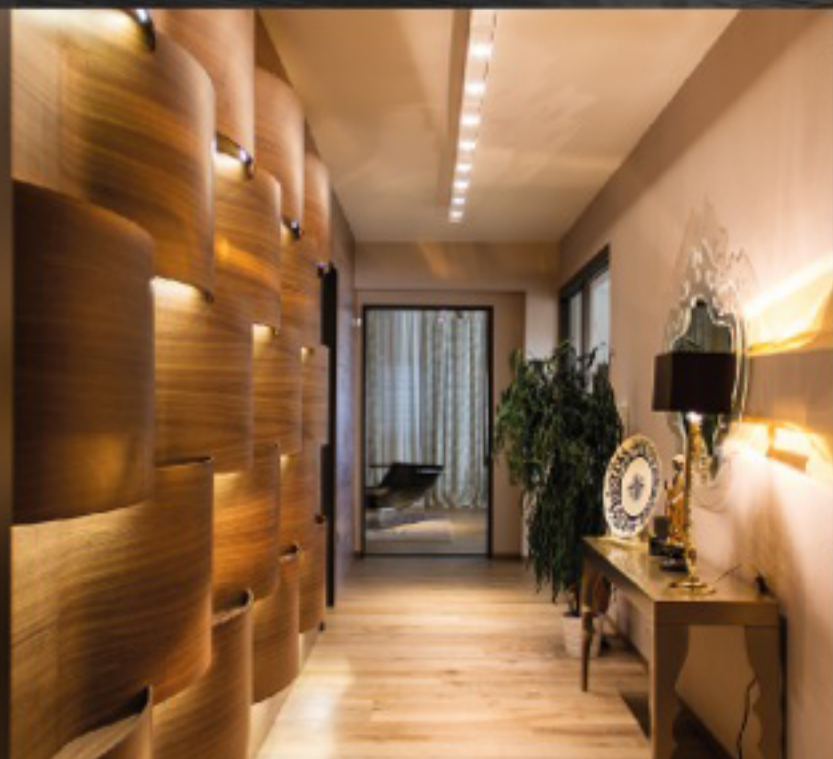

*Architectural background: Arch. Oleg Solodyankin (Perm)*

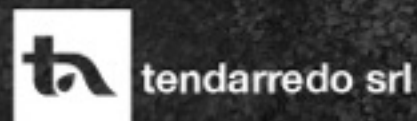

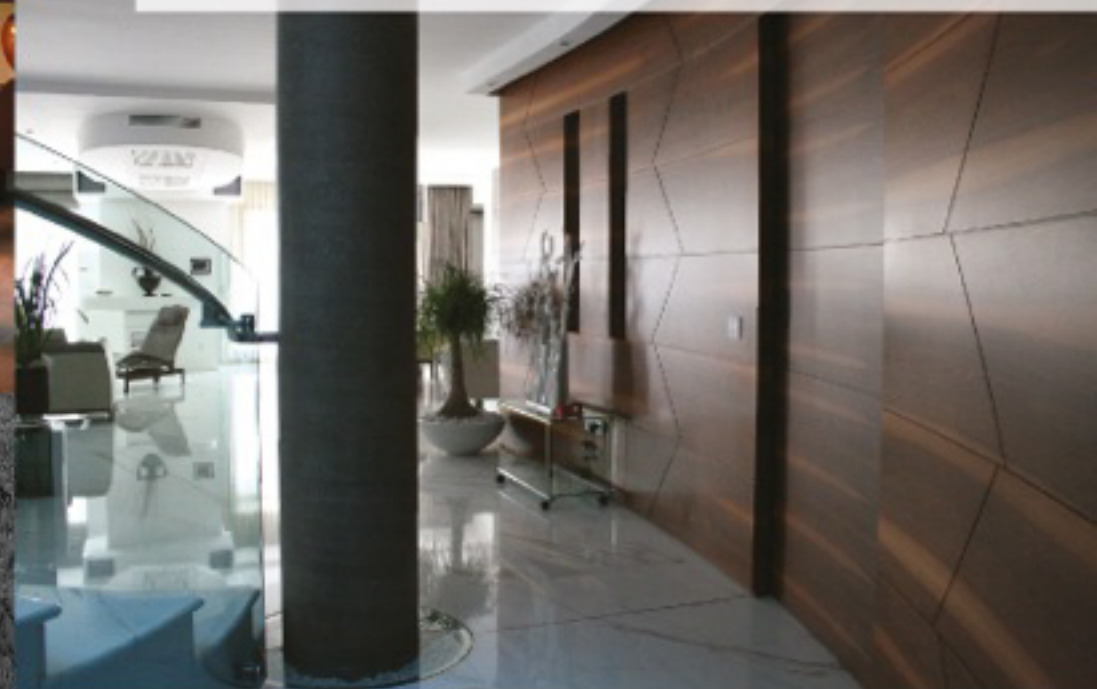

*Art Director: Giuseppe Farella (Bari)*

## MISSION

*The Group aims at unifying creativity, productive capacity and competitiveness working constantly at high quality levels. Signum Contract has become an important reference point for its customers, sharing all the technical and logistical aspects of its projects. A "turn-key" service which includes the development and the exclusive execution of any single element, from structure to furniture. The continuous search for new ideas, innovative materials and special finishes as well as the supplying of any elements listed in the technical specifications, from bathrooms to doors and windows, enlightening solutions and accessories, ensuring excellent and exclusive results.*
